Bridge, press the red button and see the bubble emerge in the
sound installation and pillars
Public art in the park includes artist Mel Chin’s stainless steel
preserving and interpreting the park’s historic structures.
In 1899, Mayor Sam Brashear purchased 20 acres of property
on the edge of downtown to create Sam Houston Park.
In 1932 into a piece of public art. Painted aquamarine, purple and lavender, McKee Street Bridge
James Bute, a Houston entrepreneur and nearby park resident.
Frost Town as an historic site. The park is named for the late
neighborhoods. In the 1970s, Houston artist Kirk Farris
transformed the once abandoned site into a park. A Texas
site of Germantown and Frost Town, two early immigrant
remnants of a City of Houston incinerator built in 1925.
This tributary is being restored to provide Fifth Ward
park features ponds, native plantings, interpretive displays
and valves are intact. Buffalo Bayou Partnership plans to
and settling tanks, compressor rooms as well as original pipes
Decommissioned over 20 years ago, much of the Northside
neighborhood residents access to Buffalo Bayou. Volunteers
